

LPS Industries Graphic Art Needs List (form .017) lps 09/25/02

1. Digital Files

zip disk (Mac format)

or CD rom (Mac format)

internet files are also acceptable as long as they are from acceptable files. (email address for graphics department is graphicarts@lpsind.com)

Acceptable programs are:

Macintosh only

Adobe Illustrator 8, 9, 10

Quark 3.5, 4.0

Freehand 9.0

Photoshop 6.0

Pagemaker 6.5

+PDF files are for reading or quoting only.

Files can be in PC format only as long as they match the above programs. (they don't always work or are usable.)

Regardless of format, all files must have all corresponding fonts, art files, and attachment to do job properly.

Files that are in PC formats we recommend outlining fonts.

Art that is not digital:

If supplied art is a negative, Photostat, or scannable, we can accept it. Customer must be informed that art will be as is in that case.

All other art will be either rejected or recreated, at an extra cost.

Please Note: For line art do not run artwork into side seal area. For flat bags this is 1/4" from the sides of the bag, for zippered bags this is 3/8" from sides of the bags.
